Dear potential just powers;

Can we get to the bottom of this and expose Bk467p191 and find out where the money went? The law says that this is automatically done and the public trusts that it is done. Why can't it be done? Why couldn't it be done before our family was terrorized and destroyed?

I am concerned that my responses to the summons the accountants had my sister serve me may be lost or not recognized; and the terms of the summons would be approved by default. So I want to leave evidence of my responses. I was served the summons on September 8, 2012. The summons says I have 21 days after being served to respond.

On September 22, 2012, I responded with the attachment overview-sept22-62p.pdf. The Court received it on September 24, 2012. at 10:01 am.

On September 24, 2012, I responded with the attachments: (1) 545820-23p.pdf, (2) bk467p191-8p.pdf, (3) blueprint4p.pdf, (4) canweconnectthedots2p.pdf, (5) codeofconduct18p.pdf, (6) commitments-Individually9p.pdf, (7) compute-tax-test35p.pdf, (8) exceptions1994disappeared.pdf, (9) exceptions2000disappeared.pdf, (10) overview72p.pdf, (11) percentages72p.pdf, (12) precedence17p.pdf, (13) tax-records94p.pdf, (14) trust-deed-invisible175p.pdf, (15) trusts-documents42p.pdf, (16) unknown14p.pdf, and (17) usingIRS15p.pdf. The Court received them on September 25, 2012. at 10:44 am.

Can we look at the evidence before judging? It is impossible to judge fairly without exposing Bk467p191. Can the accountants be made accountable for their accounting? Why keep Bk467p191 covered up?

Subject: The public should know; response to summons; lost or not recognized documents.

Dear potential just powers;

Can we get to the bottom of this and expose Bk467p191 and find out where the money went? The law says that this is automatically done and the public trusts that it is done. Why can't it be done? Why couldn't it be done before our family was terrorized and destroyed?

I am concerned that my responses to the summons the accountants had my sister serve me may be lost or not recognized; and the terms of the summons would be approved by default. So I want to leave evidence of my responses. I was served the summons on September 8, 2012. The summons says I have 21 days after being served to respond.

On September 22, 2012, I responded with the attachment overview-sept22-62p.pdf. The Court received it on September 24, 2012. at 10:01 am.

On September 24, 2012, I responded with the attachments: (1) 545820-23p.pdf, (2) bk467p191-8p.pdf, (3) blueprint4p.pdf, (4) canweconnectthedots2p.pdf, (5) codeofconduct18p.pdf, (6) commitments-Individually9p.pdf, (7) compute-tax-test35p.pdf, (8) exceptions1994disappeared.pdf, (9) exceptions2000disappeared.pdf, (10) overview72p.pdf, (11) percentages72p.pdf, (12) precedence17p.pdf, (13) tax-records94p.pdf, (14) trust-deed-invisible175p.pdf, (15) trusts-documents42p.pdf, (16) unknown14p.pdf, and (17) usingIRS15p.pdf. The Court received them on September 25, 2012. at 10:44 am.

Can we look at the evidence before judging? It is impossible to judge fairly without exposing Bk467p191. Can the accountants be made accountable for their accounting? Why keep Bk467p191 covered up?

Verifying undeliverable status; resend of my September 26, 2012, 3:49 am, message to six recipients that it bounced from:

- (1) Steve Blizzad <sblizzard@stewart.com> See attachment "commitments-individually8p.pdf"
- (2) Jeffrey C McKay <leedist@fairfaxcounty.gov> Accotink ( <http://www.alexandriavirginia15acres.com> ) is in Lee District; Mr. McKay's District
- (3) Kevin Greenlief, Director of DTA <kevin.greenlief@fairfaxcounty.gov>
- (4) Sharon Bulova Chairman <chairman@fairfaxcounty.gov>
- (5) Taxing Authority Consulting Services P.C. <liens@taxva.com> This is the lien company the Director of DTA hired
- (6) WCP&J <terrymichael@wcpj.org>

My September 26, 2012, 3:49 am message was:

"Dear potential just powers;

Can we get to the bottom of this and expose Bk467p191 and find out where the money went? The law says that this is automatically done and the public trusts that it is done. Why can't it be done? Why couldn't it be done before our family was terrorized and destroyed?

I am concerned that my responses to the summons the accountants had my sister serve me may be lost or not recognized; and the terms of the summons would be approved by default. So I want to leave evidence of my responses. I was served the summons on September 8, 2012. The summons says I have 21 days after being served to respond.

On September 22, 2012, I responded with the attachment overview-sept22-62p.pdf. The Court received it on September 24, 2012. at 10:01 am.

On September 24, 2012, I responded with the attachments: (1) 545820-23p.pdf, (2) bk467p191-8p.pdf, (3) blueprint4p.pdf, (4) canweconnectthedots2p.pdf, (5) codeofconduct18p.pdf, (6) commitments-Individually9p.pdf, (7) compute-tax-test35p.pdf, (8) exceptions1994disappeared.pdf, (9) exceptions2000disappeared.pdf, (10) overview72p.pdf, (11) percentages72p.pdf, (12) precedence17p.pdf, (13) tax-records94p.pdf, (14) trust-deed-invisible175p.pdf, (15) trusts-documents42p.pdf, (16) unknown14p.pdf, and (17) usingIRS15p.pdf. The Court received them on September 25, 2012. at 10:44 am.

Can we look at the evidence before judging? It is impossible to judge fairly without exposing Bk467p191. Can the accountants be made accountable for their accounting? Why keep Bk467p191 covered up?

Dear potential just powers:

Rather than send out my response to the summons with it's 18 attachments again and again in hopes of it being recognized and the summons dismissed because it is against the rule of law, I made a simple website showing my response at <http://www.thepublicshouldknow20.com> .

The contents of the summons the accountants had our innocent sister Jean Nader serve on me would not survive due process. The accusations are false, the accountants know it, and history suggests that it will be approved without due process. The terms of the summons is for the benefit of the accountants; it gives them unlimited control and cover and makes our family appear at fault. Please see <http://www.thepublicshouldknow20.com> and compare the summons with the responses.

Our innocent sister Jean Nader will never understand that she is being used by the accountants until a just power visits her and reverses the effects of the accountants giving her twenty years of I'm the bad guy. Our family will never be free of the accountants until a just power does this. (Jean Nader, 350 Fourth Avenue, New Kensington, PA 15068; tel (724) 337-7537, email "Jean Nader through Amy Johnson" <natron36@hotmail.com>. If this is not possible the accountants, to protect themselves, will continue to use her to jerk me around until I'm dead.

Can we get to the bottom of this and expose Bk467p191 and find out where the money went? The law says that this is automatically done and the public trusts that it is done. Why can't it be done? Why couldn't it be done before our family was terrorized and destroyed? It is impossible to judge fairly without exposing Bk467p191. Can the accountants be made accountable for their accounting? Why keep Bk467p191 covered up? Does the power structure of Fairfax County support this? If so, why?

I don't understand why my email of September 26, 2012, at 3:49 am was not deliverable to the following six recipients when my previous emails were (Please see the attachment). I would think that these recipients would want to know more than anyone:

- (1) Steve Blizzard <sblizzard@stewart.com> See attachment "commitments-individually8p.pdf"
- (2) Jeffrey C McKay <leedist@fairfaxcounty.gov> Accotink ( <http://www.alexandriavirginia15acres.com> ) is in Lee District; Mr. McKay's District
- (3) Kevin Greenlief, Director of DTA <kevin.greenlief@fairfaxcounty.gov>
- (4) Sharon Bulova Chairman <chairman@fairfaxcounty.gov>
- (5) Taxing Authority Consulting Services P.C. <liens@taxva.com> This is the lien company the Director of DTA hired
- (6) WCP&J <terrymichael@wcpj.org>

Journalists; the public doesn't have a chance against the accountants unless the invisible walls of secrecy are removed. If you don't think the public should know how the accountants work, would you please contact other journalist and ask them to look at the evidence, follow the trails, and judge for themselves? I can't find email addresses for the FBI, IRS, and US Marshals, would someone please contact them? Suggested questions:

- (1) Why is the deed in the trust documents not recognized?
- (2) Why is "Trustee Not Individually Liable" in the trust documents not recognized? Why does it continue to be invisible?
- (3) How did the Director of DTA arrive at his delinquent tax figure? What is his lien against? Why would what his lien be against ever be cause for secrecy?
- (4) Why is the rule of law not recognized? Why is the law of contracts not recognized in the summons?
- (6) The public has no chance against the accountants unless the accountants are required to accept some level of transparency and accountability. What level of transparency and accountability do the accountants accept?

Kate,

Thanks. I'd hate to leave you (my executor) with this mess.

It's fun thinking about Oct 13.
