

I can't prevent misunderstandings such as this unless I use some method of communication that leaves a record, such as the web.

3. The terms of the Land Trust Agreement provide for the termination of the trust on October 16, 2012 and, upon the termination date, the trustee is directed to convey record title of the Property to the beneficiaries or sell the Property at a public sale.

4. A conveyance of the Property to the beneficiaries or a public sale of the Property before a Final Order has been entered in this case would result in irreparable harm to the Plaintiff, as a beneficiary of the Land Trust.

5. As of the date of the filing of this Motion, Defendant Sheila O'Connell has been served with the Complaint and the time period for her to file an answer is pending. Upon information and belief, Defendant Anthony M. O'Connell has filed a response to the Complaint, which consisted of a one-page letter directed to the Clerk of Court, and the filing of numerous documents and records containing his annotations.

6. By his own admission, Defendant Anthony M. O'Connell, as trustee, has not paid the real estate taxes on the Property or sold the Property, contrary to the terms in the Land Trust agreement.

7. Under the circumstances, the likelihood of success on the merits and the balance of equities favor the Plaintiff.

8. It is in the public interest to allow the Trust to continue in order for Plaintiff to pursue a remedy that will allow for the orderly sale of the Property for the benefit of the beneficiaries of the Trust.

WHEREFORE, Plaintiff Jean O'Connell Nader, by counsel, respectfully requests the entry of an Order as follows:

- A. Providing injunctive relief in the form of continuing the term of the Land Trust until such time as a Final Order has been entered in this case;

RE: *In Re: Harold A O'Connell*, CL-2012-13064

Dear Mr. O'Connell:

I have received your letter regarding the Notice of Scheduling Conference you received in case CL 2012 -0013064. This is indeed a valid notice from our court provided so that you would be aware of a Scheduling Conference at which we will, if appropriate, set a trial date and enter a scheduling order in accordance with the Uniform Pretrial Scheduling Order adopted by the Supreme Court of Virginia. No evidence will be taken at that time as this is only a hearing to establish the schedule for the orderly processing of the case.

As for accountability for the notice, it clearly indicates that it is sent by the judges of the circuit court and provides you with a phone number at which you can contact our case management staff with regard to the Scheduling Conference. We would not send out a notice indicating that you can contact the judges directly as such contact is inappropriate.

Your letter also indicates that you do not know what issues are raised in the case but our records indicate that you have responded to the Complaint which sets out the Plaintiff's allegations and prayer for relief so I therefore assume that you are acquainted with the issues which have been raised. As to whether the Plaintiff's allegations are true or merit relief, these issues will not be dealt with at the December 4, 2012 Scheduling Conference but are instead decided in the course of later proceedings or after a trial at which each side has had an opportunity to present evidence in the form of documents or testimony and make arguments as to the proper disposition of the issues.

I can't prevent misunderstandings such as this unless I use some method of communication that leaves a record, such as the web.

You also request that our court take certain actions, but please note that Judges take actions based upon pleadings which are properly filed, and even then, only after each interested party has had an opportunity to respond and be heard on the request. Sending a letter to a judge is not filing a pleading in a case as pleadings are properly filed with the Clerk of Court. Additionally, copies of anything sent to the Court for filing must be provided to all other interested parties. As your letter does not indicate copies were sent to the other parties I will provide them with a copy of your letter and this response.

Finally, with regard to your participation in the Scheduling Conference at 8:30 a.m. on December 4, 2012, this is a civil case and it is your choice as to whether you participate in this administrative hearing or any further hearings. If you do not appear, the Court will proceed to establish scheduling without your input. We will, however, send you a copy of any Order that is entered at that hearing.

Sincerely Yours,

Dennis J. Smith

Our family is innocent and needs protections.
Can we find out where the money went in our Mother's estate at bk467p191?
What is it that makes the accountants not have to be accountable?
These are the issues
I don't understand why those with the power to protect our family and expose
bk467p191 don't recognize that they are being used to use our family as cover.
